

SUMMARY OF EXAMINER INTERVIEW

Applicant thanks Examiner George Monikang and Supervisory Patent Examiner Vivian Chin for the telephonic Examiner Interview on October 14, 2009, at which Applicant's representative Brent K. Whitlock, Reg. No. 61,371, was also present. During the interview, claim 1 was discussed, including its distinctions over the Sibbald reference pertaining to a representation of a sound by components expressed in a base of spherical harmonics and filtering. An agreement was reached to amend claim 1 for clarity of the subject matter claimed.
